Policy Information

Series SECTION I - BOARD POLICIES

D. Instructional Program Policy
Course of Study
Policy # I-D1

a. All classes to be taught and all textbooks to be used in the Cache County public schools will be approved in advance by the Assistant Superintendent and/or the Supervisor in charge of instruction.

b. State Department of Public Instruction guides and District adopted guides will be used to ensure an organized and purposeful curriculum. Curriculum will be based on the State Core Curriculum Program.

c. Instructional supplies, texts, and materials necessary to a quality education program will be provided by the Board of Educational as required by law.

d. Classes required by State law or the State Board of Education will be taught.

e. No student shall be refused admittance to any class on the basis of sex alone unless the class activities include bodily contact, discussion of human sexuality, or personal embarrassment.

f. Any proposed class to be offered during the regular school day which draws less than 20 student registrations must receive special approval of the District Office Supervisor and the Superintendent.

Adoption Date: 7/1/1989
